

NumBugz[®] Rules

Sortz

Sortz is a quick, fun game that tests hand-eye co-ordination and counting

Aim of the game: To collect all the Bugz in a set

Players: Can be played by 1 to 6 people

Starting the game: At the start of the game, decide who will collect which set of Bugz

Playing the game: Place all the Bugz in the bag and give them a shake. When all the players are ready, tip the contents of the bag onto the table and everyone starts finding and grabbing their set of Bugz.

It's going to be quick so remember to count how many you've collected as you go along.

Winning the game: The first person to collect their full set of 25 Bugz wins the game.
